*Please refer to this file number in all future correspondence.

Mr. Morton,

We have completed our review of the above-mentioned product. Based on the information that the Fertilizer Section of the Canadian Food Inspection Agency has reviewed, we have determined that this product meets all requirements as outlined in the *Fertilizers Act and Regulations* and may be legally sold in Canada. Therefore, the above product has been granted registration under the *Fertilizers Act* until **July 24, 2015**. All labels associated with this product found in the marketplace must contain the registration number stated above.

Enclosed with this letter, you will find a copy of the signed registration certificate and a copy of the approved label. Please ensure that the actual product labels found in the Canadian marketplace are the same as the enclosed label. Please be advised that the presence of the CFIA stamp, on the final label is only as a symbol of approval and the reproduction or use of the CFIA stamp on labels in the marketplace is prohibited and subject to enforcement if found in the marketplace. Please note that all products are required to bear a lot/batch number on the product label. As well, please ensure that all advertising claims regarding the benefits of this product are limited to those identified on the approved label.

This registration has been issued for the package size (weight) indicated on the approved label only. Please note that any additional package sizes intended to be sold under this registration must be submitted for approval prior to sale. Please note that multiple package sizes submitted as part of a single registration application must be identical in all aspects, other than the weight.

Please note that as new regulations and/or policies are developed, the acceptability of this product under the *Fertilizers Act and Regulations* may also change. It is the responsibility of the manufacturer/registrant/distributor/retailer to ensure that the product and the label continue to meet the requirements for sale in Canada, as outlined in the *Fertilizers Act and Regulations*.
