Made in Canada

DIRECTIONS FOR USE: GRASSOLINE is an organic based recycled product which can be used at home on lawns, flowers, vegetable gardens and greenhouses. Mix 15ml of GRASSOLINE to 4 litres of water. Can be applied by spray: Dilute 30:1 with water when using a sprayer. Water in thoroughly with straight water after application.

FREQUENCY:

LAWNS - Dilute 30:1 with water and apply to 625 square feet. Apply a minimum of 3 treatments annually.

FLOWERS - Mix 15ml with 4 litres of water. Apply once a week during growing season.

VEGETABLE GARDENS - Mix 15ml with 4 litres of water. Apply every other day with watering.

THIS PRODUCT SHOULD BE USED AS PART OF A COMPLETE FERTILIZER PROGRAM.

CAUTION: This product contains fish proteins. Keep away from children and pets. Avoid contact with skin and eyes. Wear appropriate protective equipment including impervious gloves, safety eyewear and clothing. Wash contaminated clothing before reusing.

FIRST AID: Ingestion: May be harmful if swallowed. Call a physician immediately. Eyes: Flush with running water for at least 15 minutes while holding eyes open. Skin: Remove all contaminated clothing. Wash skin and hair thoroughly with soap and water. Inhalation: Remove to fresh air. If any irritation occurs, seek medical advice.

STORAGE & DISPOSAL: Avoid excessive heat. Store in cool, dry place. Do not allow material to freeze. Store away from children and feed or food products. Do not store diluted product. Do not contaminate other stored products or the storage area. Immediately clean up any spills, which may occur during storage. Do not contaminate water supplies by handling and storage, cleaning of equipment or disposal of waste. Waste must be disposed of in accordance with federal, provincial and local regulation.
